Spanish is Fun!

Learn a Language!

GRADES K-4

No previous knowledge of Spanish is necessary. Learning Spanish is as easy as uno, dos, tres! Current research has found a positive link between learning a second language and cognitive and academic ability. In addition to developing a lifelong skill to communicate with people from other countries and backgrounds, other benefits include improved overall school performance and higher problem-solving skills. In Afterschool Amigos Spanish club, children will learn numbers, colors, shapes, greetings, days of the week and more. We will be singing, clapping, and counting our way towards learning the Spanish language. Each child will receive a participation award on the last day of the session.

Course Time: Thursdays, April 5th - May 24th, 3:15 PM - 4:15 PM
