Snapology Engineers

After School STEAM Enrichment Program at Algonquin Road Elementary School

7 weeks | Tuesdays 3:15-4:15PM | Jan 14-Feb 26 | \$105

Let your child build super-cool cars, catapults, and parade floats that use gears, axles, and pulleys. Work in teams under guided instruction to build a different model using LEGO bricks each week. Prior experience is not necessary. Class minimum enrollment is 10 and maximum enrollment is 20.

For registration go to mchenry.snapology.com

Click on "Schedule" and select Algonquin Road Elementary School to enroll
