

Stage Stars

Winter 2021

Special code for Fox River Grove students!

Our online drama class introduces students to the craft of stage acting. During each 45 minute session, students will learn theatrical skills, improv basics and participate in interactive drama games led by a live instructor. This is an opportunity for students to have fun, express themselves, and interact with others within the context of theatre arts! Students are also provided with monologues and scenes to rehearse outside of class time, and then perform for their peers.
